

18th

National Technical Symposium

ABOUT SEIPI **CALL for DELEGATES**

The Semiconductor and Electronics Industries in the Philippines Inc. (SEIPI) through the Association of Semiconductor and Electronics Manufacturing Engineers of the Philippines (ASEMEP), in cooperation with this year's host company – Fujitsu, invites you to attend the **18th ASEMEP National Technical Symposium** on June 5-6, 2008 at the SMX Convention Center, Mall of Asia.

This year's theme is "Creating Infinite Possibilities Through Global Technical Excellence," the symposium will feature technical presentations from engineers of semiconductor and electronics manufacturing companies in the Philippines and from engineering students of top universities.

The event will be concluded by a fellowship night with music, food and drinks where several awards will be given out and prizes will be raffled off!

Early Bird Rates (until May 23):

SEIPI Member Companies: Php4000
Non-SEIPI Member Companies: Php4500
